

SGS PHILIPPINES AWARDS FIRST ISO 28000 CERTIFICATE

(MANILA, PHILIPPINES, JANUARY 2010) – SGS Philippines, Inc., the commercial affiliate of the SGS Group, recently awarded the first certification for ISO 28000:2007 Supply Chain Security Management System to Banner Plasticard, Inc. during turn-over ceremonies at the Banner Plasticard office-plant in Manila. The certification for ISO 28000:2007 is valid for 3 years starting January 25, 2010 until January 24, 2013.

The ISO 28000:2007 standard specifies the requirements for a supply chain security management system, linking security management to many other aspects of business management, which include activities that impact supply chain security, such as transportation of goods along the supply chain.

The awarding event is a milestone for SGS Philippines as the certificate is the first issued by SGS in the country and by the SGS Group under the said standards. SGS Philippines, Inc. is also the certifying body for Banner Plasticard, Inc. for its ISO 9001 Quality Management System certification. The Philippines SGS Systems & Services Certification (SSC) team for Banner Plasticard is led by Business Manager Roger Villanueva and Auditor Glenda Villaflor.
